# B. Management Discussion And Analysis Report

# (b) Industry structure and developments:

For the Textiles industry, the global focus is shifting from China to India due to cost and stability factors. The government's positive steps are expected to help this shift and if foreign investments in textiles retail materialize, the consumption of the textile product in the domestic market should increase in the years to come. Recently, Government has withdrawn the requirement of export contract registration for cotton and cotton yarn and now these are in free list, without any requirement of registration, which should boost export of cotton yarn and simultaneously, the domestic market is expected to improve.

The Indian Textile and apparel industry has been a significant contributor to the Indian economy and continues to play a pivotal role in India's growth story through its contribution to industrial output, employment generation and export earnings. India is one of the few countries with a complete and integrated value chain having production at each level of textile manufacturing at with an overall annual growth of Indian textile industry can be divided into several segments, some of which can be listed as below:

- Cotton Textiles
- Silk Textiles
- Woolen Textiles
- Readymade Garments
- Hand crafted Textiles
- Jute and Coir

#### (c) Opportunities and Threats:

## Opportunities:

- Increase in consumption pattern across the country along with the rising demand for high quality premium fabrics.
- 2. Large and potential domestic and international market. Promising export potential.

#### Threats:

- 1. Pricing pressure due to opening up of quotas.
- 2. Enhanced competition from other countries.
- 3. Rising production cost from increasing wages, power and interest cost.
- 4. Non Availability of Raw material due to GST.

#### (e) Outlook:

We are hopeful of a better year ahead.

#### (f) Risks and concerns:

Risk is an inherent part of any business. There are various types of risks, that threat the existence of a company like Strategic Risk, Business Risk, Finance Risk, Finance Risk, Environment Risk, Personnel risk, Operational Risk, Reputation Risk, Regulatory Risk, Technology Risk, Political Risk etc. Your company aims at enhancing and maximizing shareholders value by achieving appropriate trade –off between risk & returns.

The fluctuations in foreign exchange adversely impacted exports and long term export orders cannot be booked in view of the uncertainty in exchange rates. India has already started losing its markets and export orders and countries like Pakistan, Bangladesh, Sri Lanka and Vietnam which have duty free access, are now grabbing the market share.

Input costs including power and labour, are extraneous factors which make it difficult for the company to face competition from China, Pakistan and Bangladesh.

#### (g) Internal control systems and their adequacy:

The company has adequate internal control systems and is in process of further strengthening the existing internal control systems. The financial statements are reviewed periodically by the management. The company has set up an internal Audit trail whereby deviations, if any, can be brought to the notice of the management quickly and remedial actions are initiated immediately.

## INDEPENDENT AUDITORS' REPORT

To,

The Members,

Shantai Industries Limited (Formerly Known as Wheel and Axle Textiles Limited)

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of SHANTAI INDUSTRIES LIMITED (formerly known as WHEEL AND AXLE TEXTILES LIMITED) ("The Company") which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

## Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material mis-statement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act (except to the extent of disclosure required to be made under Ind AS-19 with regard to Gratuity Scheme and non-receipt of confirmation of foreign trade receivable) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India

including the Ind AS, of the state of affairs of the Company as at March 31, 2018, its loss, its cash flows and changes in equity for the year ended on that date.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
- 2. As required by Section 143 (3) of the Companies Act, 2013, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
  - e) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of Section 164 (2) of the Companies Act, 2013 and
  - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
  - g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - 1. Company does not have any pending litigations which would impact its financial position;

#### ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shantai Industries Limited** (formerly known as Wheel and Axle Textiles Limited) ("the Company") as of 31<sup>st</sup> March 2018 in conjunction with our audit of Financial Statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

This Company Takeover by Sawlani Group in the year 2015. Since then the company has made progress in widely diverse fields. At present, the company is a trendsetter in textiles and also has a remarkable presence in the Exports of Synthetics Textiles Items & Finished Garments industries.

#### II) SIGNIFICANT ACCOUNTING POLICIES

#### a. BASIS OF PREPARATION:

The financial statements have been prepared in accordance with Indian Accounting Standards (hereafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act.

These financial statements are for the year ended 31<sup>st</sup> March 2018 are the first financials with comparatives prepared under Ind AS. For all previous periods including the year ended 31<sup>st</sup> March 2017, the company had prepared its financial statement in accordance with accounting standard notified under the Companies (Accounting Standard) Rule 2006 (as amended) and other relevant provision of the Act (hereinafter referred to as the 'Previous GAAP') used for the statutory reporting requirement of India.

The financial statements have been prepared on accrual and going concern basis. The accounting polies are applied consistently to all period presented in the financial statements, including the preparation of the opening Ind AS balance sheet as at 1st April 2016 being the date of transition to Ind AS.

The financial statements up to year ended 31 March 2017 were prepared in accordance with the Accounting Standards as prescribed under Section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

#### b. USE OF ESTIMATES

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

#### c. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of tis assets and liabities as current and non-current.

### d. PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be

measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

### e. DEPRECIATION/AMORTISATION ON FIXED ASSETS

Depreciation on Fixed Assets is provided on written down value method in accordance with life of assets specified in Part C of Schedule II to the Companies Act, 2013 as per details given below:

SI.No.	Nature of Assets	Estimated useful life in years
1	Building	60
2	Computers - Servers	6
3	Computers – End user devices	3
4	Furniture and Fixtures	10
5	Motor Vehicles	8
6	Office Equipments	5

Expenses towards renovations of enduring benefit to the interiors of the office premises not owned by the company are apportioned over the period of the agreement with the owners.

Individual assets acquired for less than five thousand rupees are fully depreciated in the year of acquisition.

#### f. IMPAIRMENT OF NON FINANCIAL ASSETS

Non- financial assets other than inventories and non-current assets held for sale are reviewed at each balance sheet date to determine whether there is any indication. If any such indication exists or when annual impairment testing for an asset required, the company estimates the asset's recoverable amount. The recoverable amount is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flow that is largely independent of those from other assets or group of assets.

When the carrying amount of an assets or CGU exceeds its recoverable amount, the assets is considered impaired and is written down to its recoverable amount.

#### g. STOCK IN TRADE

Stock in trade is valued at weighted average cost or net realisable value whichever is lower.

### h. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, balances in current accounts with scheduled banks and bank deposits.

### i. REVENUE RECOGNITION

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognised when it is earned and no significant uncertainty exists as to its realisation or collection

### (i) Income from Operations

Revenue from sale of goods is recognised when ownership in the goods is transferred to the buyer for a price, when significant risks and rewards of ownership have been transferred to the buyer and no effective control, to a degree usually associated with ownership, is retained by the Company.

Duty draw back and ROSL incentive recognized when export is made. Incentive of MEIS is recognized when export proceeds is received by the Company.

### (ii) Other Income

Other Income is accounted on accrual basis except Dividend Income and Interest on Government Bonds which are accounted on cash basis.

### j. BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

#### k. FOREIGN CURRENCIES

#### **Functional currency**

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees.

### Transactions and balances

Foreign currency transactions are recorded in the functional currency by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. All foreign currency monetary assets and monetary liabilities as at the Balance Sheet date are translated into the functional currency at the applicable exchange rates prevailing on that date. All exchange differences arising on translation, are recognised in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Gain or losses upon settlement of foreign currency transactions are recognised in the Statement of Profit and Loss for the period in which the transaction is settled.

#### I. RETIREMENT BENEFITS

The Company provides for gratuity on the basis of half month's salary for each completed year of service as per provision of gratuity Act.

#### m. TAXES ON INCOME

Current tax is determined on the basis of the amount of tax payable in respect of taxable income for the year.

Deferred tax is calculated at tax rates that have been enacted or substantively enacted at the Balance Sheet date and is recognized on timing differences, being the difference between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets subject to the consideration of prudence, are recognized and carried forward only to the extent that there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

### n. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

#### o. LEASED ASSETS

Rentals in respect of assets taken on operating lease by the company are expensed with reference to the lease and other considerations.

### p. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

## **Financial Assets**

### **Initial Measurement:**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial

asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

### **Subsequent Measurement:**

Subsequent measurement is determined with reference to the classification of the respective financial assets and the contractual cash flow characteristic of the financial assets, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

### Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

## Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL

Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in profit and loss. However currently the company does not have any financial instrument in this category.

### **Equity Investment**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument by instruments basis. The Classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends are recognized in other comprehensive income. There is no recycling of the amount from other comprehensive income to profit and loss even on sale of investment. However the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

### **De-recognition of Financial Assets**

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

### **Financial Liabilities**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at fair value.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

De-recognition of Financial Liabilities

Financial liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/ (losses).

### Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

#### g. FAIR VALUE MEASUREMENT

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation and other relevant documents.

### 12. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

### **Financial risk factors**

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company.

#### Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

#### Interest rate risk

The Company does not have any borrowing and there for the company is not exposed to any interest rate risk.

### Foreign exchange risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (primarily collection for export sale denominated in a foreign currency). Presently the company is not heading in forward market and therefore exposure of foreign currency is high.

#### Credit risk

Credit risk represents the potential loss that the Company would incur if counter parties fail to perform pursuant to the terms of their obligations to the Company. The Company limits its credit risk by carrying out transactions. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position. Outstanding of trade receivable is old. However in opinion of the management, the company deals with highly rated counter parties and therefore credit risk is very negligible.

The credit risk for bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings.

#### Liquidity risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has no outstanding bank borrowings. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, liquidity risk is negligible.

### Fair value measurement

### 13. First-time adoption of Ind AS

The Company has adopted Ind AS with effect from 1 April 2016 with comparatives being restated. Accordingly the impact of transition has been provided in the Opening Reserves as at 1 April 2016 and all the periods presented have been restated accordingly

### A. Exemptions availed on first time adoption of Ind AS 101

On first time adoption of Ind AS, Ind AS 101 allows certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

- a) Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrevocable election to present subsequent changes in the fair value of an investment in an equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognized financial assets, as 'fair value through other comprehensive income' on the basis of the facts and circumstances that existed at the date of transition to Ind AS. Accordingly, the Company has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.
- b) Fair value measurement of financial assets or liabilities at initial recognition: The Company has not applied the provision of Ind AS 109, Financial Instruments, upon the initial recognition of the financial instruments where there is no active market.
- c) Designation of previously recognised financial instruments: The Company does not have any financial assets or liabilities as of the transition dates which were required to be designated, and which met the required criteria given in Ind AS 101, as a financial asset or financial liability at FVPL

### B. Exceptions

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements:

### a) Estimates

The estimates as at 1 April 2016 and 31 March 2017 are consistent with those made for the same dates in accordance with previous GAAP (after adjustment to reflect and differences if any, in accounting policies) apart from the following items where the application of previous GAAP did not require estimation:

- Impairment of financial assets based on the expected credit loss model;
- and Investments in equity instruments carried as FVPL or FVOCI.
- The estimates used by the Company to present

The amounts in accordance with the Ind AS reflect conditions that existed at the date on transition to Ind AS.

### b) Derecognition of financial assets

The Company has elected to apply the derecognition requirements for financial assets and financial liabilities in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

### c) Classification and movement of financial assets and liabilities

The Company has classified the financial assets and liabilities in accordance with Ind AS 109 on the basis of facts and circumstances that existed at the date on transition to Ind AS.
